**Miscellaneous**

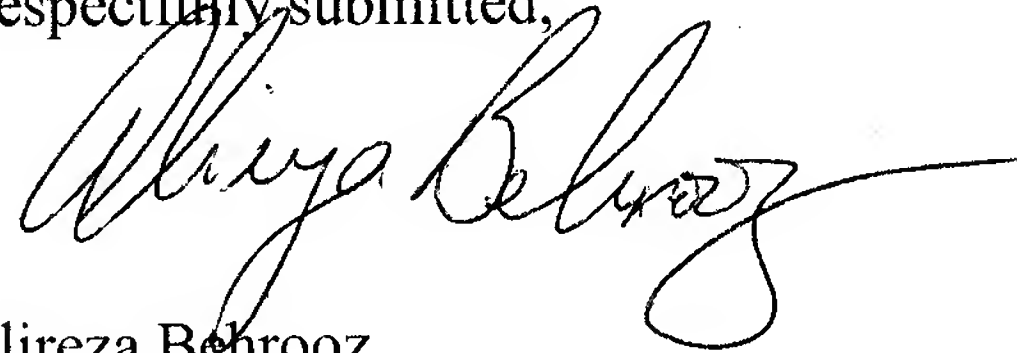

Applicants reserve the right to establish the patentability of the claimed invention over any of the cited information and/or to prove that any purported teaching of the cited information is not enabled. Applicants also reserve the right to assert that the cited information is not available as a reference, is not prior art, and/or is not "material" to patentability. Applicants further reserve the right to assert that this citation of information does not constitute an admission

of priority and/or does not constitute a waiver of any right Applicants may have under applicable statutes, Rules of Practice in patent cases, or otherwise.

This citation of information should not be construed as an admission that Applicants have an obligation to provide this information in the present application or as a representation that an exhaustive search has been made, that the information disclosed is material, that the information disclosed is, or is considered to be, in fact, prior art as defined by 35 U.S.C. §102, or that information more material to the examination of this Application does not exist. The order of presentation of information on the attached Form(s) SB/08 should not be construed as an indication of importance of the references. Applicants request that the Examiner conduct an independent and thorough search and examination of all pertinent art, and consider completely the information disclosed hereby, along with any other information, in reaching a determination of patentability.

The Commissioner is hereby authorized to charge any fees that may be required, or credit any overpayment to Deposit Account no. **09-0528** under Attorney Docket No. E072 1050.1.

Respectfully submitted,
